

Date 04 10 25

Agenda	Attendees
populate DDS framework	Josh C, Jordan W, Ricky I, Arseh D

Notes

We have a framework of the DDS framework
now we need to populate the categories
such as handing out what diagrams must
be updated/changed. filled out initial
categories such as modules

Decisions	Action items
	<input checked="" type="checkbox"/> populate update category
	<input checked="" type="checkbox"/> assign LMI diagrams.
	<input type="checkbox"/>
	<input type="checkbox"/>
	<input type="checkbox"/>
	<input type="checkbox"/>

Date _____

Agenda

Submit all updated
UML Diagrams

Attendees

Josh C, Jordan W,
Riley I, Arsen D

We got up to submit our updated diagrams and finalized the layout of the DDS categories. Made some changes and suggestions based off each others feedback.

Decisions

Action items

- ☒ updated class diagrams
- ☒ updated use case diagrams
- ☒ updated DDS categories

Date 04/08/25

Agenda	Attendees
Final preparation of documents/slides	Josh C, Jordan W, Ricky I, Arsen D

Notes

Met up to finalize the slides and their respective order of presentation. Also decided who will present which slides at which time. Also came up with an early schedule for the implementation stage on how to approach work.

Decisions	Action items
• decided slide presentation order for all members.	<input checked="" type="checkbox"/> Finalize slides
• planned next meeting on Saturday 4/12/25.	<input checked="" type="checkbox"/> Finalize DDS
	<input checked="" type="checkbox"/> Preliminary Implementation Schedule
	<input type="checkbox"/>
	<input type="checkbox"/>
	<input type="checkbox"/>
